How Ball Game

Attendance—and the Sale of Cereals—Are Helped

by broadcasting the season's sport, was told the Bala-Cynwyd-Narberth Rotary Club Tuesday by Bill Dyer, of Ardmore, who is WCAU announcer. He said as much as \$100,000 is paid a big ball club by radio advertisers, for the privilege of broadcasting a season's games.

He was introduced by Gene Davis, manager of Narberth's championship teams, who handed out copies of the history and record book of the Main Line League, which is celebrating its thirty-fourth anniversary.

Due to a change in plans, the annual outing of the club will not be held until the 21st, and the speaker at next Tuesday's meeting will be the editor of *Our Town*. His topic: "Personal Journalism."

County Chairman

of the Montgomery Republican Committee

Is John H. Hoffman, Norristown tax collector, as a result of unanimous action taken by more than 300 committee members from Narberth and elsewhere throughout the county. Thursday of last week at county seat's City Hall.

Mrs. John Y. Huber, Jr., of Haverford, was elected vice-chairman, and R. Ronald Dettie, Norristown, treasurer.

Around the Town

Lower Merion's health board is tightening its rabies regulations, because 11 dogs with the malady have been picked up since March 9—including one in Narberth and two in Penn Valley. There will be more frequent unadvertised pick-ups, at irregular intervals, check-ups on licensing of all dogs.

Perhaps the best way to clean up Philadelphia is from without. Purifying the filthy Schuylkill is one step, and the Main Line's civic leaders are starting it with the river bank park project (see news item).

The cultural attainments of this Eastern Main Line, indicated in the current list of local college graduates, will be represented in *Town and Township*. . . First issue in September.

gins, Dede Danenbower, Claire de Hart and Joyce Boardman, who will also give a demonstration of creative harmony.

There will be duets by some of the above, and by Miss Squier and W. Murray Robertson—who will conclude the program with Grieg's Concerto in A Major—and by Miss Squier and Jean Harkness, who will play Chamade's "Le Soir."

The class will sing, a "Chinese March" will be played by most of the students as an orchestra consisting of piano, triangle, castanets, tambourines and drums; and there will be a demonstration by the pre-school rhythm class: Donald Drain, Tommy Elwood, Bobby and Jean Marie Gold, Bobby Snft and Marjorie Yetter.

St. Vincent's Lawn Fete

will hold forth this Saturday night on the institution's grounds, Drexel Hill, which can be reached in 12 minutes from Narberth via City Line and Lansdowne avenue.

This charitable endeavor, satisfying the needs of 500 children of the poor, has been a particular concern for many years of local residents, several of whom are active in the committee.

4th of July

Chairman Has 18 Souvenirs for First Contributors

Burgess Frank A. Schrepfer has requested Citizen J. J. Cabrey to organize the annual Independence celebration on the playground, and to receive the funds essential thereto; wherefore the populace may expect a formal request for general community co-operation during the next ten days.

Chairman Cabrey states there will be no house-to-house canvass this year and that the necessary fund will be forthcoming as a result of a mere request that it is needed—so well established is the custom and refreshingly wholehearted are the borough residents in defraying the expense thereof.

The chairman states, however, that he has available 18 special souvenirs of a distinctive and possessive value which will be given to the first 18 of the citizenry who make their donations before the official call goes through for them—such advance contributions to be mailed him or to Carl B. Metzger, Jr., the Fund Treasurer, at the National Bank of Narberth—with a knowledge and appreciation to be printed in *Our Town*.

Housing Survey

Miss Blanche Meeser, chairman of the Housing Committee of the Community Health and Civic Association, headed a group which visited Garden Court, Philadelphia, in a survey of housing conditions. Garden Court, located at 25 N. 40th street, is an example of improved housing on a paying basis where private capitol is used instead of Federal.

Sunday School Picnic

Of All Saints' Church is Saturday the 11th. . . Cars leave the church at 10 A. M. and return by 4:30. Annual parish outing, on the grounds of the Montgomery School as usual, is Wednesday the 15th.

Combined Circles

Of the Woman's Guild of the Narberth Presbyterian

Church will meet June 16 on the lawn of Mrs. Clarence H. Woolmington's home, 23 Narbrook Park. Or, in case of rain, at the home of Mrs. W. A. Fox, 31 Narbrook Park.

Mrs. Walter Wood, vice-president, will be hostess, and Mrs. Archer Anderson will be devotional leader.

All Circle chairmen please notify Mrs. Wood of number attending not later than Tuesday. All ladies of the church and neighborhood are cordially invited. If you are a stranger in the community and perhaps lonely for a friendly handclasp, also if you are members and have not kept in touch with the Guild, won't you come and spend these hours in happy Christian fellowship? We need you, and you may decide that you need us.

Mrs. Cook will have charge of flowers for the month of June. Will you please notify her if you have flowers you would like used for the church? Thank you, and see you June 16.

Evening Circles will meet as usual this month.

New Pastor

At St. Margaret's is Welcomed at Parish Reception

Tuesday night, and several hundred of St. Margaret's parishioners filled the hall to greet Father Toner, the new pastor, appointed by the Cardinal Archbishop to succeed the late Father Hannigan, and a well-ordered and wholehearted evening it turned out to be.

Father Brown was the M. C. and proved a gentleman of rare experience, even if he did tip-tutter a little in getting a tippy-tin singer on her way, which is not a bad score at all in view of the 118 (more or less) singers and speakers he was called upon to introduce.

The talent was 100 per cent home-spun and it squared with the best of Narberth's standards, well-spirited, splendidly done, gaily rendered, and the warmth and sincerity of the glad welcome must have made its deep impress on the new pastor, for it beckoned to him many happy and fruitful days among people who set great store on the things of their faith and those charged with its diffusion.

In due course, Father Toner himself had something to say, quite the nice response to everything which had preceded it, and from which it was concluded that here comes a sound shepherd of mellow judgment, alert to his large accountabilities and one who is very evidently convinced that gradual growth is far more enduring than is the case when things happen too quickly, and who is aware that a good steward of the spiritual estate must needs administer only on the basis of eternal values.

Rev. James F. Toner was born in Mahanoy Place, Pa. He attended St. John the Baptist's School, Manayunk, St. Joseph's College High School, Philadelphia. He studied for the priesthood at St. Charles Seminary, Overbrook. He was ordained in the

Ambler's School

Of Horticulture Was Visited by 14 Members

of the Women's Community Club of Narberth, Monday, in a trip sponsored by the club's Garden Department, whose chairman is Mrs. J. J. Martin. The group was taken in the morning on a tour of the school and gardens, led by Mrs. Bush-Brown, of the school. One of the most interesting features was the experimental work with plants in the greenhouse, according to Mrs. Jesse S. Harris. After lunch, enjoyed under an arbor of wisteria, some of the school history was explained.

People of this vicinity may be proud of the fact that the Ambler School of Horticulture is the only one of its kind in the country. It is attended by pupils from 38 states and 5 foreign countries. Started in 1911, in an old farmhouse, built in 1716, it has developed to its present well-equipped group of buildings for study, living quarters, and experiments, with 75 acres of ground.

Miss Virginia Sutherland, daughter of Mrs. J. D. Sutherland, first vice-president of the Narberth club, graduates from the school this month. She is one of the highest ranking students, was chosen as May Queen, and has already had one of her articles published in the New York Times.

True to Narberth

Tradition, Gene Davis' Men Came Back

with a vengeance last week-end by clinching two victories. On Saturday the Main Line League defending champions invaded the lair of their ancient enemy, Berwyn, and came home with a hard-earned 8-7 decision. A day later the Davismen received a scare from West Phils, but put on the heat and won going away by a 9-3 count on the home grounds. The double win moved them from a tie for fifth to a deadlock for third. Tomorrow the locals go to Gladwynne where a win over Narberth is always considered sweet. Sunday they return to the home lot to take on Drexel Hill, which recently changed its name from Upper Darby.

Gene Davis, Jr., son of the manager, Nickie Myers, Roger Malseed and Jack Eachus held the spotlight from a local standpoint in the two triumphs. Davis blasted a triple in the fifth inning, which scored two runs in the Sunday contest and sewed up the game. Myers poled a home run with Harry Fox on base in the seventh.

Malseed, a Media importation and a natural hitter, set the pace at Berwyn by slapping out four hits in five times at bat. His fourth bungle drove in the deciding run in the ninth. Tanny Ralston opened the inning with a walk and was hunted down to see out by George Gazella, setting the stage for Malseed's safety. Eachus.

A Tea in Honor

Of Mrs. Ralph C. Heath is Being Given

This afternoon by Mrs. E. W. Heymann, president of the Women's Community Club of Narberth, following the 2 o'clock meeting of the Board of Directors. The Board, the newly elected officers, and the past presidents of the Narberth club will attend. Mrs. Heath, who was club president the years 1935-37, and is now chairman of the Hospitality Committee, will move with her husband and family to New Jersey late this summer.

Moving From Narberth

Mrs. G. W. Orth, Project chairman, will have her committee for luncheon Tuesday, at one o'clock, at her home on Sydenham avenue, Philadelphia.

Mrs. H. A. Jacobs entertained her Conservation Committee for luncheon at her home Tuesday, and Mrs. E. B. Hoskins had the sixteen members of her Membership Committee for luncheon Wednesday.

"Requiem"

By George Henschel will be Presented at

The Baptist Church of the Evangel, Narberth, 8:15 P. M. Monday, by Henry Hotz' Madrigal Singers. The public is invited.

Soloists: Soprano, Emma Zern; contraltos, Elizabeth Selfridge and Marie Abbott; tenor, Harry Danner; baritone, Harry Graham.

Arion String Ensemble: William Ebert, violin; Jack Weisz, violin; Eugene Weaver, viola; Frank Schwer, violoncello; Austin Wallace, piano.

Organist: Dorothy Boersig. Narrator: Rev. Robert E. Keighon.

As a project—from Valley Forge to Fairmount Park—by representatives of many organizations at a meeting Tuesday evening, in Ardmore. The Community Health and Civic Association sponsored the meeting and its Regional Planning and Zoning Committee was appointed as the committee to effect a new organization together with such other members as its chairman, Edward Woolman, might wish to add to it.

Henry D. Harral, secretary and engineer of the Lower Merion Township Planning Commission, said that Montgomery County, through its recently created County Park Board, should preserve the recreational facilities and the scenic beauties of the Schuylkill and its valley for the people as a whole by public ownership, wherever possible, of the land on both sides of the river.

Philip G. Platt, of the State Sanitary Water Board and the Izaak Walton League, held that the project will be a step in eliminating pollution of the river and in forcing retention of culm at its source in the mines; that army engineers, once pollution is halted, can then dredge the river of culm.

Miss Lillian Gest, of the Philadelphia Trail Club, and Henry Woolman, of the Horseshoe Trail Club, said hiking and riding enthusiasts will help the extension of the parks to the Horseshoe Trail and the far-reaching Appalachian Trail.

Among the speakers-in-favor: Stuart Bell, Chauncey P. Colwell, J. M. Irvine, Mrs. H. A. Jacobs, Frank K. Royer, Brenton Wallace, A. E. Wohlert, and Ralph E. White.

boasted three hits in four trips to the plate.

With Al Hermann on the mound, Narberth scored two runs in the first inning to lead him at Berwyn. Bob Doyle's charges came back with one in their half, and after Narberth scored four in the third Berwyn added three in its half.

The upper Main Liners drove over three markers in the sixth, but Narberth grabbed one in the seventh and countered with the big marker in the final turn with the bludgeon.

Loose fielding by the Davismen handed West Phils a run in the first and Ed Sullivan's gang got two in the fourth to throw a real scare into the Davismen. But thanks to Young Gene and his mates Narberth collected four in the fifth to add to the previous inning's, then went ahead comfortably with two each in the seventh and eighth. Nick Lyons turned Cross in his third straight victory after the Red shaky start. He struck out eight and walked two.

Young Twilights Win—

Narberth's younger tossers gained their third straight Main Line Two-Light League victory over the week-end by jolting Garrett Hill, 4-3, on Tuesday.

Dave Stroup sewed it up for the boroughites when he connected for a homer with the bags bare in the sixth inning.

Girl Scouts

More than 100 attended the bridge party and tea given by the Main Line Girl Scout Committee, Wednesday afternoon, for the Scholarship Fund.

The committee in charge of the party was: Chairman, Mrs. William A. Dyer; Mrs. Henry D. Booth, Jr.; Mrs. Howard Longstreth, and Mrs. E. DeForest Curtis. Girl Scouts from Merion Troop 18 served. Door prizes were donated by Main Line merchants.

Eloise Klenges and Peggy Golden will be invested at the last official Girl Scout meeting of the year in the younger group of Cynwyd Troop 94, Monday afternoon. The leader, Mrs. George S. Dunham, expects to meet at least once a month with every patrol through the summer. The older group of Troop 94 met Thursday evening with Dr. Faith Bell, of Cynwyd, to work on the requirements in first aid for the first class rank.

Six girls from Merion Troop 18 spent last week-end at the C. M. Cleaver cottage, in Stone Harbor, chaperoned by their leader, Mrs. Homer Eachus, and Miss Helen Paul. Cleaver, and passed some of their swimming tests in the bay. The girls are Marion Maloney, Cynthia Rowan, Betsy Smith, Mary Dunlap, Barbara Cleaver, and Marjorie Boyd.

In the Mailbag

From Nags Head, North Carolina, comes a note from the former proprietor of the Sunshine Garage:

"When you get a few days' vacation drop down to see me as this is about the healthiest place in the country. People seldom ever die here and they had to shoot the preacher to start the cemetery. I understand that after they get 100 years old they do dry up and blow away."

"You might tell Chas. Funk and Chas. Gervin that the fishing is worse than shooting an evenin's cricket. I'm awful at present so to get some of them models and come on down."

Roy Kossinger.

Is Your Child Safe From Diphtheria?

(If you have children, read this article carefully.)

Diphtheria prevention is safe. In millions of inoculations given to children, no permanent harm has come to a single child. Your child is usually not made uncomfortable to any degree by the treatment. It leaves no scar and does not give a sore arm as will smallpox vaccination. The younger the child, the less likely is there to be any discomfort. You therefore need not worry if you have your child protected; there is no risk.

Remember it is the young child that most needs the protection. Most babies over six months of age can catch the disease. Most diphtheria deaths occur in two-year-olds. Eighty per cent of diphtheria deaths are in those under 5 years of age. So see your family doctor at once, or if you feel you cannot afford that small expense, take your child, if under school age, to the nearest Health Centre of the Community Health and Civic Association. This is the last announcement in the present Diphtheria Prevention Campaign. The response of the public has been most gratifying and the Board of Health takes this opportunity to express its sincere thanks for the splendid co-operation of the citizens of the community, the press, the motion picture theatres and the medical profession in this effort to wipe out this disease in our township.

To those of you who have not yet acted, a final reminder, a final plea: Are you being fair to your child?

Board of Health, Lower Merion Township.

Three More Good Shows Are Billed at Narberth

"Wells Fargo," now playing, is an old story of the early stage coach and pony express days of this country. "Bluebeard's Eighth Wife," now Monday, Tuesday and Wednesday, is an amusing sophisticated comedy with a swanky setting; the cast includes Claudette Colbert and Gary Cooper. "Mad About Music" will end the week at the borough playhouse; it brings nobody, north and Deanna Durbin.

Suburban

"In Old Chicago," which opened last week at the Suburban Theatre, will conclude this Saturday.

The story of the lives and loves of a mid-West pioneer family, which is depicted with the Chicago Fire of 1871 as a dramatic background, co-stars Tyrone Power, Alice Faye and Don Ameche.

There is a polite but intense gustatorial war going on in Hollywood.

And it all started innocuously enough between Loretta Young and Director John Ford during the filming of "Four Men and a Prayer," opening Sunday at the Suburban.

The battle now rages over the respective merits of the great American breakfast (coffee and doughnuts) and the famous British tiffin (tea and crumpets).

The Narberth baseball games attract visitors from afar. Follow them at the community playground and in Our Town.

Tennis at the community playground is free to all residents. You are invited to play or to be a spectator.

Town & Township

June 6, 1938.

Dear Mr. Elwood:

The move to enlarge the service and patronage of OUR TOWN is a good one, not only for Narberth business men and organizations, but for the whole section included in the area to which TOWN AND TOWNSHIP will go. If anything is happening in the Borough we want to share it with our neighbors. Likewise, they will want to share their activities with us, I am sure. TOWN AND TOWNSHIP will serve as a clearing house for all the news of this section of the Main Line, and will help create a consciousness of oneness that will know no geographic boundaries.

The churches of the Borough were not planted to serve a limited group, but for all people—those without the Borough, as well as those within. TOWN AND TOWNSHIP will afford the churches an opportunity to enlarge our service to the people of this area.

60 TONS OF IT . . .

Thanks, folks!

I've been in business for fifteen years here . . . Long enough to deliver 60 tons or so to each home I serve.

It's been a double pleasure to serve you, because you're real folks, and also because I've a real product . . .

Ice is the perfect refrigerant and Top Icer is the perfect refrigerator. To keep your foods from drying artificially, ice is the thing. And the thing to keep it in is the Top Icer, which works wonders with your refrigeration bills and has no working parts to get out of order . . . Ask me or the driver for a booklet and the remarkably low price . . . I'm selling Top Icers to dozens of happy, healthy, money-saving customers.

We've got a new wrinkle . . .

Ice cubes in swanky bags . . . for your summer evening parties, whether two-somes or house-fulls . . . They're cut ready for your use, and the price isn't much, considering the service.

Time Out

Many outstanding contributions were made the past year at Lower Merion in all fields of sport. Perhaps the one that deserves the spotlight more than others was the state record set up by Cliff Roberts in the 200-yd. low hurdles. This was done at State College the latter part of May when the finest track athletes of the State gathered for their annual track carnival. Due to the fine work of the boys representing Lower Merion and Norristown, District I again took first honors.

Lower Merion had quite a successful season on the cinders. The Maroon athletes dropped but one important meet—the P. I. A. A. held at West Chester. Norristown nosed the locals out in the final event of the afternoon. The Suburbans, however, held two weeks later at Norristown were won by the Main Liners, displacing Norristown for the first time in three years. In this meet Cliff Roberts was again headed for a new record in the hurdles when he tripped over the final hurdle and finished fifth.

When he made the misstep he was a good six yards ahead of the field. It looked for a time that this bit of bad luck would lose the meet, but the squad pulled together to pile up sufficient points to take first honors.

The borough has contributed more

Others from this district are: Elizabeth Allen, Jane Buechner, Mary B. Carr, Marie L. Crehen, Marion Dougherty, Margaret Kane, Katherine McFarland, Mary L. McAllister, Eileen Meanimley, Marcelle Mamon, Virginia Scott, Grace Toebe, Cecilia Wright, Louise Zeib.

Other prizes were awarded as follows: The Bausch and Lomb prize for excellence in three years of science, to Donald W. Lynch; the Decham Poetry prize, won by William Henry Matheson; the H. A. Ferreira plaque for excellence in physical education among boys, to Charles A. Robertson; the Harvard Club of Philadelphia prize for excellence in History, to Robert C. Wadthrop.

The L. L. R. Staley prize in Music, awarded to the person who has been most helpful and deserving in the music department, to Donald H. White; the Lower Merion Alumni Association prize for excellence in commercial work, to Irene Gionguilio; the Lower Merion Alumni Association prize in English, to Kalman H. Silvert; the Lower Merion Alumni Association prize in Mathematics, to David E. Alburger.

The Pennypacker Cup for the most helpful boy was awarded by vote of the seniors to J. Robert Rowley; the Phi Beta Kappa Association of Philadelphia award to that member of the senior class who has completed the college preparatory course, including Latin, with the highest average, to Mary M. Larney.

than their share of athletes to the star ranks at Lower Merion this year. Perhaps the outstanding members were Clarence Grills and Larry Davis of the basketball squad, Joe Dimidio of the football team and Bob Tyson of the baseball team. These lads were all stars on their respective teams.

The uniforms have all gone to the cleaners, the boys have made their plans for a summer's vacation and the coaches are looking forward to next year—looking over the roster of boys who will return in the hope that again the Maroon athletes will uphold the traditions of Lower Merion—long a leader in suburban high school competition. Hail Merion!

TOMMY MACKLIN.

To The Graduates---A GREETING---

Here's a hope that '38 will be the beginning of a new era of prosperity for us all—and, for you in particular, a long lifetime of happy service and achievement.

Public Officials Endorse
Oil Firm's Safety Crusade

Enthusiastic endorsements from public officials in scores of Eastern cities hailing the \$50,000 safe driving crusade contest as an urgently needed public service campaign have been received within the past few days, it was announced today by John D. Collins, vice-president in charge of automotive sales of Tide Water Associated Oil Company.

State, county and municipal officials including mayors, police chiefs, school superintendents and public-minded groups such as safety councils, chambers of commerce and other civic bodies have strongly commended the campaign in which a first prize of \$25,000 and 681 other cash awards are offered by the oil company for the writing of the eight best rules of safe driving, Mr. Collins said.

"The public interest shown by the number of entries during the first weeks of the contest far exceeded our expectation," Mr. Collins said. "The purpose of the cash contest is to stimulate the interest of at least a million motorists in the need for more careful driving. We firmly believe this will pay dividends in lives saved. Our disgraceful automobile accident problem has got to be solved."

Several hundred thousand motoring booklets are being issued each week by Tydol and Veedol dealers. Each booklet in the series of eight contains a coupon upon which the contestant must write a safe driving rule. When the eight booklets are obtained all rules must be mailed in by July 7, the closing date of the contest.

The contest is limited to residents of the New England and Middle Atlantic States.
